RE: WO#2026-0914

Dear Roberti Ranch Inc,

Thank you for your request to have the electrical service upgraded to your Ag pump/Pivot located on parcel 010-070-050 listed as Pivot 14 in Loyalton. The cost required for this upgrade will be **\$4,330.76**. This cost will need to be paid before we can commence work on this project. The construction fee can be paid by check, money order or cashier's check. Please reference **Work Order 2026-0914** on any payments or correspondence regarding this project. An inspection on your electrical panel by Sierra County Building Department will also need to be completed before service can be energized.

This cost is only valid for ninety (90) days from the date of this letter.

INSTALLING SOLAR? Please remember system size and designs need approval for Interconnection to the PSREC grid prior to installation. Visit <https://www.psrec.coop/energy/interconnections/> for information.

Should you have any questions, please feel free to contact me at (530) 832-6074.

Sincerely,
Cheryl Varner
