

RESOLUTION NO. 26-05

Resolved by the Sierra Valley Groundwater Management District Board of Directors, that an application be made to the California Department of Food and Agriculture Office of Agricultural Resilience and Sustainability to obtain a grant under the State Water Efficiency and Enhancement Program (SWEET) Block Grant pursuant to the California Natural Resources Agency Proposition 4 Climate Bond Funding (Chapter 7 Climate Smart, Sustainable, and Resilient Farms, Ranches, and Working Lands). Be it further resolved that the Sierra Valley Groundwater Management District Board of Directors has the authority and shall enter into a funding agreement with the California Department of Food and Agriculture Office of Agricultural Resilience and Sustainability to receive a grant for the project entitled *On-Farm Irrigation Efficiency Implementation Supporting Sustainable Groundwater and Surface Water Management in Sierra and Plumas Counties*.

The Chairman of the Sierra Valley Groundwater Management District, or designee, is hereby authorized and directed to prepare the necessary data, conduct investigations, file such application, execute a funding agreement and any future amendments thereto, submit invoices, and submit any reporting requirements with the California Department of Food and Agriculture Office of Agricultural Resilience and Sustainability.

Passed and adopted at a meeting of the Sierra Valley Groundwater Management District August 10, 2026.
