RE: READYMIX CONCRETE PRICES

Please be advised that all concrete quoted is at ambient temperature and American Ready-Mix will not be responsible for any cost associated with the effects of extreme ambient temperatures but will do all possible to re-schedule an order when temperatures for concrete placement are within acceptable limits.

We are pleased to present our quotation of ready mixed concrete prices as follows:

Prices are good through 3/31/2025

Description	Price
2'x2'x6' Block	\$75.00 / Block
Loading must be done on Flat bed Equipment; we load at yard	

All Mix Designs are quoted at a 4" Slump

- Plasticizer to increase slump \$12.00 per 1 gallon (jobsite added plasticizer)
 - \$1.00 per 1"/cubic yard (plant added plasticizer)
 - Non-Chloride Accelerator \$5.00 per % per cubic yard
 - Fiber \$7.00 per cubic yard
 - Hot Water \$3.50 per cubic yard
 - Recover Stabilizer (May be required per Spec's) \$0.40 per oz.
- The amount of stabilizer required is determined by temperature and travel time. Check with dispatch.

- Saturday Charge \$7.00 per cubic yard
- Environmental Surcharge NC
- Fuel Surcharge NC

American Ready Mix reserves the right to adjust the surcharge based on market pricing for diesel fuel.

Plant Opening Charge outside of working hours \$1,500.00 no charge if over 300 yards

NOTE: Delivery of the quoted ready mixed concrete products is contingent upon the availability of raw materials.

This quotation is good thru 5/23/2024 based on the award of this project to American Ready-Mix within thirty (30) days of the bid date.
