

**SIERRA VALLEY GROUNDWATER MANAGEMENT DISTRICT  
ORDINANCE NO. 23-03**

*Enacting a large-capacity well management charge for fiscal year (2023-2024)*

The Board of Directors of the Sierra Valley Groundwater Management District **DOES ORDAIN** as follows:

**Section 1.** A large capacity well management charge for the fiscal year 2023-2024 shall be collected on all metered wells that are capable of pumping 100+ gpm within the District. The total large capacity well management charge for the fiscal year 2023-2024, for the purpose of paying the costs of initiating, carrying on, and completing all of the powers, projects, and purposes for which the District is organized is fixed at \$200.00 per well per year.

**Section 2.** The large capacity well management charge shall be billed by the District and payments shall be returned to the District address of record.

**Section 3.** Any operator or person who intentionally violates any provision of this ordinance shall be guilty of an infraction, and may be required to pay a fine to the Agency of not to exceed five hundred dollars (\$500). Interest shall accrue on the billed amount for any charges not received or postmarked within thirty days of the billing date at a rate of two percent per month.

**Section 4.** The amount of an unpaid management charge, together with any penalty and interest thereon, shall constitute a lien on that land.

The foregoing ordinance was duly passed and adopted by the Board of Directors of the Sierra Valley Groundwater Management District, State of California, at a meeting of said Board held on September 18, 2023 by the following vote:
