Bar One Cattle station lost communication with its soil probe and was slowly draining its battery. After inspection, the soil probe cable and the solar panel had been damaged by the roaming cattle. Cell antenna and rain catcher were also damaged. Cell antenna was able to be fixed but the rain gauge will require a new catch cup that Joel will provide.

“TERMS AND CONDITIONS”

1. Description of Goods. The term “Goods” as used herein shall mean and refer to the products, parts, tools, or equipment referred to on the front of this Agreement or on attachments to this Agreement, which are identified thereon.
2. Waiver. Seller's acceptance of partial or delinquent payment, or the failure of Seller to exercise any right or remedy, will not be a waiver of any obligation of Buyer or right of Seller, will not be a modification of this Agreement or of any of Buyer's obligations under this Agreement, and will not constitute a waiver of any other similar default that occurs later.
3. Time of Essence. Time is expressly declared to be of the essence of this Agreement.
4. Notices. Except as otherwise expressly provided in this Agreement or by law, any notice or other communication required or permitted by this Agreement or by law to be served on, given to, or delivered to either party to this Agreement by the other party will be in writing and will be considered served, given, delivered, and received when personally delivered to the party to whom it is directed or, in lieu of personal delivery, when it is deposited in the United States mail, first-class postage prepaid, addressed to Buyer or Seller at the address indicated on the front page of this Agreement. Either Buyer or Seller, may change its address for the purpose of this paragraph by giving written notice of the change to the other party in the manner provided in this paragraph.
5. Governing Law and Venue. This Agreement will be construed in accordance with the California law. Venue for any action arising under the Agreement or related to the Goods shall be Butte County, California.
6. Validity and Construction. Except in the case of a provision pertaining to the contract price or obligation to pay for the Goods, if one or more of the provisions contained in this Agreement for any reason is held invalid, illegal, or unenforceable, the invalidity, illegality, or unenforceability of that provision will not affect any other provision of this Agreement; and this Agreement will be construed as if the invalid, illegal, or unenforceable provision had never been contained in it. In the event a provision pertaining to the contract price or obligation to pay is held to be invalid, illegal, or unenforceable, the contract shall, at the election of Seller, be void or voidable.
7. Effect on Heirs and Assigns. This Agreement and each of its provisions will be binding on the heirs, executors, administrators, legal representatives, successors, and assigns of each of the parties to this Agreement. Nothing contained in this paragraph, however, will be deemed a consent to the sale, assignment, or transfer of this Agreement, the Goods or the benefits and obligations under this Agreement by the Buyer.
8. No Assignment. This Agreement shall not be assigned without the prior written consent of Seller and, if such assignment is made, said assignment shall be void or voidable at the election of Seller.
9. Sole Agreement. This instrument constitutes the only agreement between the Buyer and Seller respecting the Goods. It correctly sets forth the rights and duties of each to the other with respect to the Goods as of its date. Any prior agreements, promises, negotiations, or representations concerning the Goods or payment for the Goods not expressly set forth in this Agreement are no longer in effect.
10. Attorneys' Fees. In the event any legal action is begun between the parties to this Agreement concerning the Goods, this Agreement, or the rights and duties of either party in relation to them, the prevailing party will be entitled to a reasonable sum as reimbursement for its attorney's fees, costs, and legal expenses.”
11. Goods Sold on Terms or on Consignment - Security Interest.
 - a. Security Interest. If all or any part of the purchase price for the Goods is financed by Seller, Seller retains title to the Goods until Buyer has performed all of the obligations owing to Seller under this Agreement, and until the purchase price of the Goods, plus any financing fees, late fees, or interest thereon, has been fully paid. Buyer hereby grants to Seller, and Seller retains, a security interest in the Goods, and in all accessions to, replacements of, and proceeds from the Goods, as security for the performance by Buyer of all of Buyer's obligations arising under this Agreement.
 - b. Risk of Loss. During the continuance of this Agreement, Buyer, at its own cost and expense, will keep the Goods and all parts of them insured for their full insurable value against loss or damage caused by fire, theft, the elements, or any other risk to which the Goods, or any part of them, might foreseeably be exposed. Insurance must be by insurance policies that are acceptable to Seller. Seller will be named as a loss payee under each policy obtained by Buyer in fulfillment of its obligations under this paragraph. Payments received by Seller under any such policy or policies shall only satisfy Buyer's obligation to pay for the Goods to the extent and amount of payment received by Seller. Any amount remaining due under this Agreement after the application of such payment shall be promptly paid by Buyer. Buyer will not be released from any obligation or obligations under this Agreement because of any loss, damage, or disrepair suffered by the Goods or any part of the Goods.
 - c. Sale of Goods. Buyer will keep the Goods, and all parts of them, separate and identifiable from other property owned by Buyer or located on the same premises as the Goods. Buyer will not sell, lease, encumber, or otherwise dispose of any part of the Goods or of any of Seller's rights under this Agreement without the prior written consent of Seller, until all of Buyer's obligations under this Agreement have been fully performed.
 - d. Financing Statement. Buyer hereby authorized Seller to prepare and file with the California Secretary of State a Financing Statement (UCC-1) to perfect the security interest in the Goods under this Agreement. The Financing Statements will be on forms approved by the California Secretary of State and will be filed as required by Seller.
 - e. Default. Buyer will be in default under this Agreement on the occurrence of any, all, or a combination of the following events or conditions: (1) Default in the payment or performance of any obligation, covenant, or liability secured by this Agreement; (2) Any warranty, representation, or statement made or furnished to Seller by or on behalf of Buyer proves to have been false in any material respect when made or furnished; (3) Any time Seller reasonably believes that the prospect of payment of any indebtedness secured by this Agreement or the performance of this Agreement is impaired; and (4) Death, dissolution, termination of existence, insolvency, business failure, or the commencement of any proceeding under any bankruptcy or insolvency law by or against Buyer or any guarantor or surety for Buyer.
 - f. Remedies. On the occurrence of any event of default, and at any later time, Seller may, at Seller's option and without demand or notice to Buyer, declare all amounts remaining unpaid under this Agreement to be immediately due and payable, and Seller may proceed to enforce payment and exercise any and all of the rights and remedies provided by the California Commercial Code as well as other rights and remedies either at law or in equity possessed by Seller. Specifically, Seller may exercise the following rights: (1) Enter Buyer's premises, render the Goods unusable, and sell or dispose of the Goods on Buyer's premises in the manner provided by the California Commercial Code or repossess the Goods and sell or dispose of the Goods on Seller's premises or a location designated by Seller; and (2) Apply the proceeds received from the sale or other disposition of the Goods to, in addition to the items specified in Division 9 of the California Commercial Code, payment of reasonable attorneys' fees and legal expenses incurred by Seller as a result of Buyer's default.
 - g. Buyer in Possession. Buyer acknowledges that it has received possession of the Goods and that, at the time of receipt, the Goods were, and each part of them was, in good repair and in a safe, workable, and clean condition. Buyer acknowledges that the Goods are not being purchased primarily for personal, family, or household use, but for lawful use in Buyer's business. The goods will be located at Buyer's place of business, unless and until written consent to a change of their location is obtained from Seller. The failure to notify Seller of the location of the Goods if the location is changed is a material breach of this Agreement.
 - h. Maintenance Obligation. Buyer will maintain the Goods and each part of the Goods in good repair at Buyer's cost and expense. Buyer will not use the Goods or any part of the Goods in a manner that would subject them to waste or undue deterioration. Buyer agrees to pay the full cost of repair for any of the goods that are damaged while in Buyer's possession.”
